BEST HOME ESSENTIAL

3 DYSON CITY

Powerful and compact, the City brings Dyson's innovative technology to a vacuum that you can hold easily in one hand. Allergy and asthma sufferers will benefit from the vac's enhanced air filter technology, which suctions air and expels it with 150 times less bacteria and mold than the air you breathe.

GEAR

BEST TRAIL SHOES

► EXPERT PICK, GEAR-JUNKIE.COM EDITOR STEPHEN REGENOLD

4 LA SPORTIVA ELECTRON

New technology enhancements help this trail shoe morph to the terrain as you run. "The design kills aggressive tread in favor of a soft and nearly smooth outer sole," Regenold says. "Inside, the shoe is made to cushion and stabilize your foot while keeping it low to the ground so you can move fast."

TECH

BEST SMARTPHONE

5 SAMSUNG EPIC 4G

Samsung's Epic 4G phone has a blazing fast 1GHz Hummingbird processor, a four-inch high-resolution display, a front-facing camera for video calling, and access to Sprint's 4G data network.
